Assistant Director for Budget, Senate Finance Committee
South Carolina Senate
Room 111, Gressette Building
1101 Pendleton Street
Columbia, SC 29201

Dear Jake:

Attached is the USC System response to Proviso 117.69 - Fees and Fines. This report includes tuition and fees collected across the USC system using the same methodology as in prior year. Student groups are undergraduate students and graduate students. Included in the graduate category are students in professional programs such as Law, Medicine, and Pharmacy. We have made every attempt to accurately record collections for tuition by student type and residency as well as other academic fees and fees collected for auxiliary enterprise services including housing, meal plans, and parking.

Also included in our response are the full tuition and fee schedules as approved by the University of South Carolina Board of Trustees in June 2026. The full schedules are available and at this link: https://sc.edu/about/offices_and_divisions/bursar/tuition_and_required_fees/index.php. This information is reported annually to the Commission on Higher Education and is available on their website. We will provide this full submission as a link on our USC Transparency website as well.

If you have questions, please contact me at 777-8411.

Sincerely,

Kelly M. Epting
Associate Vice President for Finance and Budget

Proviso 117.69 - Fees and Fines

Authority

The University of South Carolina derives its authority to assess various fees and fines in accordance with the South Carolina Code of Laws, Title 59, Chapters 101, 112 and 117 as well as provisos 117.8 and 117.11 of the FY 2025-26 Appropriations Act. Title 34, Chapter 11 of the South Carolina Code of Laws authorizes a fine for returned checks.

Expenditure Purposes

Categorized as follows

Tuition – Revenue used to support the instruction, research and public service mission of the University. Tuition is collected for the purpose of supporting the program needs of the academic units which in turn provide regular course instruction to the students. These unrestricted funds comprise the majority of revenue to the University's General Fund. Summarized for both In-state and Out-of-State residency as well as for undergraduate and graduate students. Figures include Fall, Spring and Summer semesters. E&G (Education & General) Course Amount represents that portion of the tuition directly related to providing course instruction to the students. Board Mandated Fees represents that portion of tuition dedicated to covering expenses related to bond debt service, student transportation, student activities, renovation reserve, athletics activity as well as the Health and Wellness Centers.

Academic – Revenue derived from various fees assessed by the academic departments that cover expenses unique to instruction associated with that discipline including, but not limited to, supplies and materials, travel and insurance.

Applications, Transcripts and other fees & fines – Revenue used to cover direct and indirect expenses associated with administrative processing of records and information. This category Includes application fees, transcript fees, deferment fees and library fees and fines.

Housing – Revenue used to cover the various costs associated with housing including, but not limited to, salaries and fringe benefits, utilities, furniture, maintenance and repairs. All housing at Beaufort is privatized through contractual arrangements.

Meal Plans – Outsourced at each campus except Sumter which operates a small grill. Revenue used to compensate private entities for services rendered through contractual arrangements.

Parking – Revenues used to cover the cost of parking services including debt service, security and staff salaries and fringe benefits.

Technology – Revenues used to cover the cost of Internet access, e-mail, residence hall wireless network, IT security, technical support, phone and salaries and fringe benefits for IT staff. Half of the revenue from this source is directed to the multi-year OneCarolina project that will modernize, streamline, and enhance the University's computer systems.

Returned Checks – Revenue used to offset the cost of collections associated with accounts receivables.

Transfer of Fees and Fines Revenue

Tuition and fee revenue as well as State General Fund appropriations are deposited in the University's operating General Fund. No revenue derived from the University's various fees and fines are transferred to any other entity.

The University's fee schedule and total revenue for FY 2025-26 as categorized above are provided on the following pages

FY 2026-27 Appropriation Act
